Synopsis: Older youth foster care, foster care, and placement of children. Provides that an individual who received foster care a month before the individual became 18 years of age may request the department of child services (department) to petition a court to receive older youth foster care until the individual reaches 21 years of age if the individual is: (1) employed; (2) attending a vocational program; (3) attending an educational program; or (4) planning on attending a vocational or educational program within six months of the individual's eighteenth birthday. Provides that the department shall implement a transitional services plan for an individual receiving: (1) older youth foster care; and (2) foster care who will become eighteen years of age or emancipated. Amends the definition of certain foster care terms to include an individual receiving older youth foster care. Provides that restrictions on the number of individuals that can be supervised and cared for in a foster family home, a special needs foster family home, or a therapeutic foster family home, exclude individuals receiving older youth foster care. Adopts the interstate compact for the placement of children.

1	parent, stepparent, sibling by half or whole blood or by
2	adoption, grandparent, aunt, uncle, or first cousin, or a
3	nonrelative with such significant ties to the child that they may

5	sending state.
6	(22) "Residential facility" means a facility providing a level of
7	care that is sufficient to substitute for parental responsibility or

10	residential facilities do not include institutions that are
11	primarily educational in character, hospitals, or other medical
12	facilities.
13	(23) "Rule" means a written directive, mandate, standard, or
14	principle that is issued by the interstate commission and
15	promulgated under Article XI of this compact, that is of general
16	applicability, and that implements, interprets or prescribes a
17	policy or provision of the compact. A rule has the force and
18	effect of an administrative rule in a member state, and includes
19	the amendment, repeal, or suspension of an existing rule.
20	(24) "Sending state" means the state from which the placement
21	of a child is initiated.
22	(25) "Service member's permanent duty station" means the

37	(29) "Supervision" means monitoring provided by the receiving
38	state once a child has been placed in a receiving state under this
39	compact.
40	ARTICLE III. APPLICABILITY
41	(a) Except as otherwise provided in subsection (b), this compact
12	annlies to the following:

1	(1) The interstate placement of a child subject to ongoing court
2	jurisdiction in the sending state, due to allegations or findings
3	that the child has been abused, neglected, or deprived as
4	defined by the laws of the sending state. However, the
5	placement of such a child into a residential facility requires only
6	notice of residential placement to the receiving state before
7	placement.
8	(2) The interstate placement of a child adjudicated delinquent
9	or unmanageable based on the laws of the sending state and
10	subject to ongoing court jurisdiction of the sending state if:
11	(A) the child is being placed in a residential facility in
12	another member state and is not covered under another
13	compact; or
14	(B) the child is being placed in another member state and the
15	determination of safety and suitability of the placement and
16	services required is not provided through another compact.
17	(3) The interstate placement of any child by a public child
18	placing agency or private child placing agency as defined in this
19	compact as a preliminary step to a possible adoption.
20	(b) The provisions of this compact do not apply to the following:
21	(1) The interstate placement of a child in a custody proceeding
22	in which a public child placing agency is not a party, if the
23	placement is not intended to effectuate an adoption.
24	(2) The interstate placement of a child with a nonrelative in a
25	receiving state by a parent with the legal authority to make
26	such a placement; however, the placement is not intended to
27	effectuate an adoption.
28	(3) The interstate placement of a child by one (1) relative with
29	the lawful authority to make such a placement directly with a
30	relative in a receiving state.
31	(4) The placement of a child not subject to subsection (a) into a
32	residential facility by the child's parent.
33	(5) The placement of a child with a noncustodial parent if:
34	(A) the noncustodial parent proves to the satisfaction of a
35	court in the sending state a substantial relationship with the
36	child;
37	(B) the court in the sending state makes a written finding
38	that placement with the noncustodial parent is in the best
39	interests of the child; and
40	(C) the court in the sending state dismisses its jurisdiction
41	over the child's case.
42	(6) A child entering the United States from a foreign country

1	for the purpose of adoption or leaving the United States to go to	
2	a foreign country for the purpose of adoption in that country.	
3	(7) Cases in which a United States citizen child living overseas	
4	with the child's family, at least one (1) member of which is in	
5	the United States armed services and is stationed overseas, is	
6	removed and placed in a state.	
7	(8) The sending of a child by a public child placing agency or a	
8	private child placing agency for a visit as defined by the rules	
9	of the interstate commission.	
10	(c) For purposes of determining the applicability of this compact	
11	to the placement of a child with a family having a member in the	
12	United States armed services, the public child placing agency or	
13	private child placing agency may choose the state of the service	
14	member's permanent duty station or the service member's declared	
15	legal residence.	
16	(d) This compact shall not be construed to prohibit the	
17	concurrent application of the provisions of this compact with other	
18	applicable interstate compacts, including the interstate compact for	
19	juveniles and the interstate compact on adoption and medical	
20	assistance. The interstate commission may, in cooperation with other	
21	interstate compact commissions having responsibility for the	
22	interstate movement, placement, or transfer of children, promulgate	
23	like rules to ensure the coordination of services, the timely placement	
24	of children, and the reduction of unnecessary or duplicative	
25	administrative or procedural requirements.	
26	ARTICLE IV. JURISDICTION	
27	(a) Except as provided in subsection (g) and ARTICLE V,	•
28	subsection (b)(2) and (b)(3), concerning private and independent	
29	adoptions, and in interstate placements in which the public child	
30	placing agency is not a party to a custody proceeding, the sending	
31	state retains jurisdiction over a child with respect to all matters of	
32	custody and disposition of the child which it would have had if the	
33	child had remained in the sending state. Jurisdiction also includes the	
34	power to order the return of the child to the sending state.	
35	(b) When an issue of child protection or custody is brought before	
36	a court in the receiving state, the court shall confer with the court of	
37	the sending state to determine the most appropriate forum for	
38	adjudication.	
39	(c) In accordance with its own laws, the court in the sending state	

41

42

shall have authority to terminate its jurisdiction if:

(1) the parent with whom the child is reunified in the receiving state is the subject of allegations or findings of abuse or neglect,

1	but only with the concurrence of the public child placing agency
2	in the receiving state;
3	(2) the child is adopted;
4	(3) the child reaches the age of majority under the laws of the
5	sending state;
6	(4) the child achieves legal independence under the laws of the
7	sending state;
8	(5) a guardianship is created by a court in the receiving state
9	with the concurrence of the court in the sending state;
10	(6) an Indian tribe has petitioned for and received jurisdiction
11	from the court in the sending state; or
12	(7) the public child placing agency of the sending state requests
13	termination and has obtained the concurrence of the public
14	child placing agency in the receiving state.
15	(d) When a sending state court terminates its jurisdiction, the
16	receiving state child placing agency shall be notified.
17	(e) Nothing in this article shall defeat a claim of jurisdiction by a
18	receiving state court sufficient to deal with an act of truancy,
19	delinquency, crime, or behavior that involves a child as defined by
20	the laws of the receiving state, that is committed by the child in the
21	receiving state, and that would be a violation of the laws of the
22	receiving state.
23	(f) This article does not limit the receiving state's ability to take
24	emergency jurisdiction for the protection of the child.
25	(g) The substantive laws of the state in which an adoption will be
26	finalized shall solely govern all issues relating to the adoption of the
27	child and the court in which the adoption proceeding is filed shall
28	have subject matter jurisdiction regarding all substantive issues
29	relating to the adoption, except:
30	(1) when the child is a ward of another court that established
31	jurisdiction over the child prior to the placement;
32	(2) when the child is in the legal custody of a public agency in
33	the sending state; or
34	(3) when a court in the sending state has otherwise
35	appropriately assumed jurisdiction over the child, prior to the
36	submission of the request for approval of placement.
37	(h) A final decree of adoption shall not be entered in any
38	jurisdiction until the placement is authorized as an approved
39	placement by the public child placing agency in the receiving state.
40	ARTICLE V. PLACEMENT EVALUATION
41	(a) Before sending, bringing, or causing a child to be sent or

brought into a receiving state, the public child placing agency shall

provide a written request for assessment to the receiving state.

- (b) For placements by a private child placing agency, a child may be sent or brought, or caused to be sent or brought, into a receiving state upon receipt and immediate review of the required content in a request for approval of a placement by both the sending state's and the receiving state's public child placing agency. The required content to accompany a request for provisional approval shall include all of following:
  - (1) A request for approval identifying the child, the birth parent(s), the prospective adoptive parent(s), and the supervising agency, signed by the person requesting approval.
  - (2) The appropriate consents or relinquishments signed by the birth parents in accordance with the laws of the sending state, or where permitted, the laws of the state where the adoption will be finalized.
  - (3) Certification by a licensed attorney or authorized agent of a private adoption agency that the consent or relinquishment is in compliance with the applicable laws of the sending state, or where permitted the laws of the state where finalization of the adoption will occur.
  - (4) A home study.

- (5) An acknowledgment of legal risk signed by the prospective adoptive parents.
- (c) The sending state and the receiving state may request additional information or documents before finalization of an approved placement, but they may not delay travel by the prospective adoptive parents with the child if the required content for approval has been submitted and has been received and reviewed by the public child placing agency in both the sending state and the receiving state.
- (d) Approval from the public child placing agency in the receiving state for a provisional or approved placement is required as provided for in the rules of the interstate commission.
- (e) The procedures for making and the request for an assessment shall contain all information and be in such form as provided for in the rules of the interstate commission.
- (f) Upon receipt of a request from the public child welfare agency of the sending state, the receiving state shall initiate an assessment of the proposed placement to determine its safety and suitability. If the proposed placement is a placement with a relative, the public child placing agency of the sending state may request a determination of whether the placement qualifies as a provisional placement.

1	(g) Upon receipt of a request from the public child placing agency
2	of the sending state, the receiving state shall initiate an assessment of
3	the proposed placement to determine its safety and suitability. If the
4	proposed placement is a placement with a relative, the public child
5	placing agency of the sending state may request a determination for
6	a provisional placement.
7	(h) The public child placing agency in the receiving state may
8	request from the public child placing agency or the private child
9	placing agency in the sending state, and shall be entitled to receive,
10	supporting or additional information necessary to complete the
11	assessment.
12	(i) The public child placing agency in the receiving state shall
13	approve a provisional placement and complete or arrange for the
14	completion of the assessment within the timeframes established by
15	the rules of the interstate commission.
16	(j) For a placement by a private child placing agency, the sending
17	state shall not impose any additional requirements to complete the
18	home study that are not required by the receiving state, unless the
19	adoption is finalized in the sending state.
20	(k) The interstate commission may develop uniform standards for
21	the assessment of the safety and suitability of interstate placements.
22	ARTICLE VI. PLACEMENT AUTHORITY
23	(a) Except as otherwise provided in this Compact, no child subject
24	to this compact shall be placed into a receiving state until approval
25	for such placement is obtained.
26	(b) If the public child placing agency in the receiving state does
27	not approve the proposed placement, the child shall not be placed.
28	The receiving state shall provide written documentation of any such
29	determination in accordance with the rules promulgated by the
30	interstate commission. Such a determination is not subject to judicial
31	review in the sending state.
32	(c) If the proposed placement is not approved, any interested
33	party shall have standing to seek an administrative review of the
34	receiving state's determination.
35	(d) The administrative review and any further judicial review
36	associated with the determination shall be conducted in the receiving

state under its applicable administrative procedures.

(e) If a determination not to approve the placement of the child in

the receiving state is overturned upon review, the placement shall be

considered approved; however, all administrative or judicial

remedies must be exhausted or the time for such remedies must have

15	(B) supervision conducted by the receiving state at the level
16	necessary to support the placement as agreed upon by the
17	public child placing agencies of the receiving and sending
18	states; and
19	(3) nothing in this compact prohibits public child placing
20	agencies in the sending state from entering into agreements
21	with licensed agencies or persons in the receiving state to
22	conduct assessments and provide supervision.
23	(b) For the placement of a child by a private child placing agency
24	preliminary to a possible adoption, the private child placing agency
25	shall be:
26	(1) legally responsible for the child during the period of
27	placement as provided for in the law of the sending state until
28	the finalization of the adoption; and
29	(2) financially responsible for the child absent a contractual
30	agreement to the contrary.
31	(c) A private child placing agency shall be responsible for any
32	assessment conducted in the receiving state and any supervision
33	conducted by the receiving state at the level required by the laws of

35	(d) The public child placing agency in the receiving state shall
36	provide timely assessments, as provided for in the rules of the
37	interstate commission.
38	(e) The public child placing agency in the receiving state shall
39	provide, or arrange for the provision of, supervision and services for
40	the child, including timely reports, during the period of the
41	placement.

(f) This compact does not limit the authority of the public child

1	placing agency in the receiving state to contract with a licensed

4	authorize the provision of supervision or services by a licensed

10	or board.
11	(h) Each member state shall establish a central state compact
12	office, which shall be responsible for state compliance with the
13	compact and the rules of the interstate commission.
14	(i) The public child placing agency in the sending state shall
15	oversee compliance with the provisions of the Indian Child Welfare

21	compact.

24	The member states hereby establish, by way of this compact, a
25	commission known as the "interstate commission for the placement
26	of children". The activities of the interstate commission are the
27	formation of public policy and are a discretionary state function. The
28	interstate commission:
29	(1) is a joint commission of the member states and shall have
30	the responsibilities, powers, and duties set forth herein, and

39	compact binding the state;
40	(3) operates under the following requirements:

4	a larger quorum is required by the bylaws of the interstate
5	commission;
6	(C) a requirement that a representative shall not delegate a
7	vote to another member state;
8	(D) a requirement that a representative may delegate voting

17	(4) shall establish an executive committee which shall have the
18	authority to administer the day to day operations and
19	administration of the interstate commission but does not have
20	the power to engage in rulemaking.
21	ARTICLE IX. POWERS AND DUTIES OF THE INTERSTATE
22	COMMISSION
23	The interstate commission has powers to do the following:

35	bylaws to govern its conduct as may be necessary or
36	appropriate to carry out the purposes of this compact.
37	(2) The interstate commission's bylaws and rules shall establish
38	conditions and procedures under which the interstate
39	commission shall make its information and official records
40	available to the public for inspection or copying. The interstate
41	commission may exempt from disclosure information or official

records to the extent they would adversely affect personal

1	privacy rights or proprietary interests.	
2	(b) Meetings.	
3	(1) The interstate commission shall meet at least once each

5	and, upon the request of a simple majority of the member	
6	states, shall call additional meetings.	
7	(2) Public notice shall be given by the interstate commission of	
8	all meetings, and all meetings shall be open to the public, except	
9	as set forth in the rules or as otherwise provided in the compact.	
.0	The interstate commission and its committees may close a	
.1	meeting, or part of a meeting, where it determines by	
.2	two-thirds (2/3) vote that an open meeting would be likely to:	
.3	(A) relate solely to the interstate commission's internal	
.4	personnel practices and procedures;	
.5	(B) disclose matters specifically exempted from disclosure by	
.6	federal law;	
.7	(C) disclose financial or commercial information which is	
. 8	privileged, proprietary, or confidential in nature;	
9	(D) involve accusing a person of a crime, or formally	
20	censuring a person;	
21	(E) disclose information of a personal nature where	
22	disclosure would constitute a clearly unwarranted invasion	
23	of personal privacy or physically endanger one (1) or more	
24	persons;	
25	(F) disclose investigative records compiled for law	
26	enforcement purposes; or	
27	(G) specifically relate to the interstate commission's	
28	participation in a civil action or other legal proceeding.	V
29	(3) For a meeting, or part of a meeting, closed under this	
30	provision, the interstate commission's legal counsel or designee	
31	shall certify that the meeting may be closed and shall reference	
32	each relevant exemption provision. The interstate commission	
33	shall keep minutes that shall fully and clearly describe all	
34	matters discussed in the meeting and shall provide a full and	
35	accurate summary of actions taken and the reasons for the	
36	actions, including a description of the views expressed and the	
37	record of a roll call vote. All documents considered in

39	minutes and documents of a closed meeting shall remain under	
10	seal, subject to release by a majority vote of the interstate	
1	commission or by court order.	
12	(4) The bylaws may provide for meetings of the interstate

electronic commu	nication.				

#### (c) Officers and staff.

- (1) The interstate commission may, through its executive committee, appoint or retain a staff director for such period, upon such terms and conditions, and for such compensation as the interstate commission may consider appropriate. The staff director may hire and supervise such other staff as may be authorized by the interstate commission.
- (2) The interstate commission shall elect, from among its members, a chairperson and a vice chairperson of the executive committee and other necessary officers, each of whom shall have such authority and duties as may be specified in the bylaws.

#### (d) Qualified immunity, defense, and indemnification.

- (1) The interstate commission's staff director and the employees of the commission are immune from suit and liability, either personally or in official capacity, for a claim for damage to or loss of property or personal injury or other civil liability caused or arising out of or relating to any actual or alleged act, error, or omission that occurred, or that the staff director or employee had a reasonable basis for believing occurred, within the scope of commission employment, duties, or responsibilities. The staff director or an employee is not protected from suit or liability for damage, loss, injury, or liability caused by a criminal act or intentional or willful and wanton misconduct.
- (2) The liability of the interstate commission's staff director and employees or interstate commission representatives, acting within the scope of such person's employment or duties, for acts, errors, or omissions occurring within such person's state, may not exceed the limits of liability set forth under the Constitution and laws of that state for state officials, employees, and agents. The interstate commission is considered to be an instrumentality of the states for the purposes of any such action. Nothing in this subsection shall be construed to protect such person from suit or liability for damage, loss, injury, or liability caused by a criminal act or the intentional or willful and wanton misconduct of such person.
- (3) The interstate commission shall defend the staff director and

y

its employees and, subject to the approval of the attorney general or other appropriate legal counsel of the member state, shall defend the commissioner of a member state in a civil action seeking to impose liability arising out of an actual or alleged act, error, or omission that occurred within the scope of interstate commission employment, duties, or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, or responsibilities, if the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such person.

(4) To the extent not covered by the state involved, member state, or the interstate commission, the representatives or employees of the interstate commission shall be held harmless in the amount of a settlement or judgment, including attorney's fees and costs, obtained against such persons arising out of an actual or alleged act, error, or omission that occurred within the scope of interstate commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, or responsibilities, if the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such persons.

# ARTICLE XI. RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION

- (a) The interstate commission shall promulgate and publish rules in order effectively and efficiently to achieve the purposes of the compact.
- (b) Rulemaking shall occur under the criteria set forth in this article and the bylaws and rules adopted pursuant thereto. 18	aside.
19	(f) A majority of the legislatures of the member states may reject
20	a rule by enacting, in the same manner used to adopt the compact, a

30	in the compacting states to the extent and in the manner
31	provided for in this compact.

36	of process in any action in which the validity of a compact
37	provision or rule is the issue for which a judicial determination
38	has been sought and shall have standing to intervene in any

21	curing the default. The interstate commission shall specify	
22	the conditions by which the defaulting state must cure its	
23	default;	
24	(C) by majority vote of the members, initiate against a	
25	defaulting member state legal action in the United States	
26 27	District Court for the District of Columbia or, at the

28 29	enforce compliance with the provisions of the compact, its	,
30	bylaws, or rules. The relief sought may include both	
31	injunctive relief and damages. If judicial enforcement is	
32	necessary, the prevailing party shall be awarded all costs of	
33	such litigation, including reasonable attorney's fees; or

6	which shall promulgate a rule binding upon all member states.
7	(c) The interstate commission shall not incur obligations of any
8	kind before securing the funds adequate to meet the obligations. The
9	interstate commission shall not pledge the credit of any of the
10	member states, except by and with the authority of the member state.
11	(d) The interstate commission shall keep accurate accounts of all
12	receipts and disbursements. The receipts and disbursements of the
13	interstate commission shall be subject to the audit and accounting
14	procedures established under its bylaws. However, all receipts and
15	disbursements of funds handled by the interstate commission shall
16	be audited yearly by a certified or licensed public accountant, and

2.5	bylaws.
26	ARTICLE XVI. SEVERABILITY AND CONSTRUCTION

  - (1) The interstate placement of a child subject to ongoing court jurisdiction in the sending state, due to allegations or findings that the child has been abused, neglected, or deprived as defined by the laws of the sending state. However, the placement of such a child into a residential facility requires only notice of residential placement to the receiving state before placement.
  - (2) The interstate placement of a child adjudicated delinquent or unmanageable based on the laws of the sending state and subject to ongoing court jurisdiction of the sending state if:
    - (A) the child is being placed in a residential facility in another member state and is not covered under another compact; or
    - (B) the child is being placed in another member state and the determination of safety and suitability of the placement and services required is not provided through another compact.
  - (3) The interstate placement of any child by a public child placing agency or private child placing agency as defined in this compact as a preliminary step to a possible adoption.
  - (b) The provisions of this compact do not apply to the following:
    - (1) The interstate placement of a child with a nonrelative in a receiving state by a parent with the legal authority to make such a placement; however, the placement is not intended to effectuate an adoption.
    - (2) The interstate placement of a child by one (1) relative with the lawful authority to make such a placement directly with a relative in a receiving state.
    - (3) The placement of a child not subject to subsection (a) into a residential facility by the child's parent.

- (7) The sending of a child by a public child placing agency or a private child placing agency for a visit as defined by the rules of the interstate commission.
- (c) For purposes of determining the applicability of this compact to the placement of a child with a family having a member in the United States armed services, the public child placing agency or private child placing agency may choose the state of the service member's permanent duty station or the service member's declared legal residence.
- (d) This compact shall not be construed to prohibit the concurrent application of the provisions of this compact with other applicable interstate compacts, including the interstate compact for juveniles and the interstate compact on adoption and medical assistance. The interstate commission may, in cooperation with other interstate compact commissions having responsibility for the interstate movement, placement, or transfer of children, promulgate like rules to ensure the coordination of services, the timely placement of children, and the reduction of unnecessary or duplicative administrative or procedural requirements.

### ARTICLE IV. JURISDICTION

- (a) Except as provided in subsection (g) concerning private and independent adoptions, the sending state retains jurisdiction over a child with respect to all matters of custody and disposition of the child which it would have had if the child had remained in the sending state. Jurisdiction also includes the power to order the return of the child to the sending state.
- (b) When an issue of child protection or custody is brought before a court in the receiving state, the court shall confer with the court of the sending state to determine the most appropriate forum for adjudication.

- (c) In accordance with its own laws, the court in the sending state shall have authority to terminate its jurisdiction if:
  - (1) the parent with whom the child is reunified in the receiving state is the subject of allegations or findings of abuse or neglect, but only with the concurrence of the public child placing agency in the receiving state;

  - (3) the child reaches the age of majority under the laws of the sending state;

- (d) When a sending state court terminates its jurisdiction, the receiving state child placing agency shall be notified.
- (e) Nothing in this article shall defeat a claim of jurisdiction by a receiving state court sufficient to deal with an act of truancy, delinquency, crime, or behavior that involves a child as defined by the laws of the receiving state, that is committed by the child in the receiving state, and that would be a violation of the laws of the receiving state.
- (f) This article does not limit the receiving state's ability to take emergency jurisdiction for the protection of the child.
- (g) The substantive laws of the state in which an adoption will be finalized shall solely govern all issues relating to the adoption of the child and the court in which the adoption proceeding is filed shall have subject matter jurisdiction regarding all substantive issues relating to the adoption, except:
  - (1) when the child is a ward of another court that established jurisdiction over the child prior to the placement;
  - (2) when the child is in the legal custody of a public agency in the sending state; or
  - (3) when a court in the sending state has otherwise appropriately assumed jurisdiction over the child, prior to the submission of the request for approval of placement.
- (h) A final decree of adoption shall not be entered in any jurisdiction until the placement is authorized as an approved

placement by the public child placing agency in the receiving state.

ARTICLE V. PLACEMENT EVALUATION

- (a) Before sending, bringing, or causing a child to be sent or brought into a receiving state, the public child placing agency shall provide a written request for assessment to the receiving state.
- (b) For placements by a private child placing agency, a child may be sent or brought, or caused to be sent or brought, into a receiving state upon receipt and review of the required content in a request for approval of a placement by both the sending state's and the receiving state's public child placing agency.   - (3) A home study.
  - (4) An acknowledgment of legal risk signed by the prospective adoptive parents.
- (c) The sending state and the receiving state may request additional information or documents before finalization of an approved placement, but they may not delay travel by the prospective adoptive parents with the child if the required content for approval has been submitted and has been received and reviewed by the public child placing agency in both the sending state and the receiving state.
- (d) Approval from the public child placing agency in the receiving state for a provisional or approved placement is required as provided for in the rules of the interstate commission.
- (e) The procedures for making and the request for an assessment shall contain all information and be in such form as provided for in the rules of the interstate commission.
- (f) Upon receipt of a request from the public child welfare agency of the sending state, the receiving state shall initiate an assessment of the proposed placement to determine its safety and suitability. If the proposed placement is a placement with a relative, the public child placing agency of the sending state may request a determination of whether the placement qualifies as a provisional placement.
- (g) Upon receipt of a request from the public child placing agency of the sending state, the receiving state shall initiate an assessment of

y

the proposed placement to determine its safety and suitability. If the proposed placement is a placement with a relative, the public child placing agency of the sending state may request a determination for a provisional placement.

- (h) The public child placing agency in the receiving state may request from the public child placing agency or the private child placing agency in the sending state, and shall be entitled to receive, supporting or additional information necessary to complete the assessment.
- (i) The public child placing agency in the receiving state shall approve a provisional placement and complete or arrange for the completion of the assessment within the timeframes established by the rules of the interstate commission.
- (j) For a placement by a private child placing agency, the sending state shall not impose any additional requirements to complete the home study that are not required by the receiving state, unless the adoption is finalized in the sending state.
- (k) The interstate commission may develop uniform standards for the assessment of the safety and suitability of interstate placements.

#### ARTICLE VI. PLACEMENT AUTHORITY

- (a) Except as otherwise provided in this Compact, no child subject to this compact shall be placed into a receiving state until approval for such placement is obtained.
- (b) If the public child placing agency in the receiving state does not approve the proposed placement, the child shall not be placed. The receiving state shall provide written documentation of any such determination in accordance with the rules promulgated by the interstate commission. Such a determination is not subject to judicial review in the sending state.
- (c) If the proposed placement is not approved, any interested party shall have standing to seek an administrative review of the receiving state's determination.
- (d) The administrative review and any further judicial review associated with the determination shall be conducted in the receiving state under its applicable administrative procedures.
- (e) If a determination not to approve the placement of the child in the receiving state is overturned upon review, the placement shall be considered approved; however, all administrative or judicial remedies must be exhausted or the time for such remedies must have passed.

- (3) nothing in this compact prohibits public child placing agencies in the sending state from entering into agreements with licensed agencies or persons in the receiving state to conduct assessments and provide supervision.
- (b) For the placement of a child by a private child placing agency preliminary to a possible adoption, the private child placing agency shall be:

  - (2) financially responsible for the child absent a contractual agreement to the contrary.

- (e) The public child placing agency in the receiving state shall provide, or arrange for the provision of, supervision and services for the child, including timely reports, during the period of the placement.
- (f) This compact does not limit the authority of the public child placing agency in the receiving state to contract with a licensed agency or person in the receiving state for an assessment or the

provision of supervision or services for the child or otherwise authorize the provision of supervision or services by a licensed agency during the period of placement.

- (g) Each member state shall provide for coordination among its branches of government concerning the state's participation in, and compliance with, the compact and interstate commission activities, through the creation of an advisory council or use of an existing body or board.

  - (2) The interstate commission's bylaws and rules shall establish conditions and procedures under which the interstate commission shall make its information and official records available to the public for inspection or copying. The staff director or an employee is not protected from suit or liability for damage, loss, injury, or liability caused by a criminal act or intentional or willful and wanton misconduct.
  - (2) The liability of the interstate commission's staff director and employees or interstate commission representatives, acting within the scope of such person's employment or duties, for acts, errors, or omissions occurring within such person's state, may not exceed the limits of liability set forth under the Constitution and laws of that state for state officials, employees, and agents. The interstate commission is considered to be an instrumentality of the states for the purposes of any such action. Nothing in this subsection shall be construed to protect such person from suit or liability for damage, loss, injury, or liability caused by a criminal act or the intentional or willful and wanton misconduct of such person.
  - (3) The interstate commission shall defend the staff director and its employees and, subject to the approval of the attorney general or other appropriate legal counsel of the member state, shall defend the commissioner of a member state in a civil

action seeking to impose liability arising out of an actual or alleged act, error, or omission that occurred within the scope of interstate commission employment, duties, or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, or responsibilities, if the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such person.

(4) To the extent not covered by the state involved, member state, or the interstate commission, the representatives or employees of the interstate commission shall be held harmless in the amount of a settlement or judgment, including attorney's fees and costs, obtained against such persons arising out of an actual or alleged act, error, or omission that occurred within the scope of interstate commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, or responsibilities, if the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such persons.

- (f) A majority of the legislatures of the member states may reject a rule by enacting, in the same manner used to adopt the compact, a statute or resolution which provides that the rule shall have no further force and effect in any member state.

  - (B) prevent loss of federal or state funds; or
  - (C) meet a deadline for the promulgation of an administrative rule required by federal law.
- (2) An emergency rule shall become effective immediately upon adoption, provided that the usual rulemaking procedures provided hereunder shall be retroactively applied to the rule as soon as reasonably possible, but not later than ninety (90) days after the effective date of the emergency rule.
- (3) An emergency rule shall be promulgated as provided for in the rules of the interstate commission.
